Introduction

Education plays a very vital role in the development of nation. Higher education is developing very fast in basic as well as professional areas. Higher education is a matter of concern even today.

Through seven eventful decades of its history, Gandhi Memorial National College, Ambala Cantt has celebrated the quest for expanding landscapes of learning and critical thinking. Today, this college is recognized as a premier institution of higher learning that nurtures intellectual and academic striving, vibrant curricular activities, outreach initiatives and civic engagement. The college offers a unique combination of resources where community of inspired faculty and talented students learn and grow together to share the dynamic energy field. It is a place not only of teaching but collaborated scholarship reinforcing a very special interaction between students and faculty.

After partition, a great visionary and philanthropist Sh. Jaswant Rai with other eminent associates planted the seeds of D.A.V. College, Rawalpindi at Ambala which flourished into G.M.N. College in 1948. Having had a modest beginning in a building with thatched roofs, today the college has a whole range of infrastructural facilities such as high-tech seminar rooms, Smart Class Rooms, Arts, Science and Commerce block, well-equipped laboratories, departmental rooms equipped with computers and internet facilities, gymnasium, fully automated library, E-library, sprawling sports fields. The college has become a byword for academic and extracurricular achievements. The dynamic, enlightened and supportive Managing Committee comprising of members from industry, medicine, academic and administration is constantly engaged in taking the college to newer heights of excellence. Its alumni occupy distinguished positions in almost all spheres of society – Government, Banking, Finance, Academics, Sports, Armed Forces, Business and Media. The college believes in the motto “Be the First and be with the First”.

After the visit of NAAC peer team in academic year 2017-18, the college prepared the perspective plan considering the following aspects intune with the vision and mission of the college

Vision:-

To impart qualitative value-based education and to reinvent itself constantly in the context of ever changing scenario so as to create a happier and growth oriented society.

Mission:-

1. To pursue and disseminate knowledge with commitment to all the sections of society.
2. To create and provide opportunity for the overall development of students that can transform the society too.
3. To evolve skilled human resource of higher caliber.
