PLANTATION DRIVE AT GMN COLLEGE

Ambala: A tree plantation drive was conducted on the behalf of the NCC Girls Wing of the GMN College in the college vatika. College principal Dr Rajpal Singh started the campaign by planting the first sapling. He said trees were the basis of life and it was the duty of every person to protect the environment. He said to save humanity in future, it was necessary to plant more and more plants because pure air was the basis of life. He stated that as soon as one enters the college premises, one gets a sense of the freshness and greenery of the environment, which shows the visionary thinking of our college towards the environment. The cadets cleaned the entire ground before planting the saplings. Around 20 cadets participated in it. Professor Sajjan Singh, Rajendra and NCC Girls Wing Officer Sujata Goyal were present on the occasion.
