LECTURE ON WORLD SOCIAL JUSTICE

Ambala: A lecture on "World social justice" was organised by the legal literacy cell of GMN College under the chairmanship of college principal Dr Rajpal Singh. Dr Surendra Kumar Kundu acted as a resource person on this occasion. He told that World Day for Social Justice 2022 is celebrated every year. Social justice works to establish justice in human rights and the distribution of opportunities and privileges in the society amidst the inequalities spread in the world. Principal Dr. Rajpal Singh stated that justice is very important for any civilised society and justice protects the moral and human rights of the people along with keeping the society away from many evils and anti-social elements. He said the inequality and discrimination spread in the society intensifies the demand for social justice, which is a considerable aspect.
