Criterion VII- Institutional Value
& Best Practices

About the College

GMN College is being run by the G. M. N. College Trust and Management Society, Ambala Cantt. This society began this college in 1948 under the dynamic leadership of visionary philanthropist Principal Jashwant Rai. The college has rare distinction of being chosen as “The College with Potential for Excellence” in the session 2010-11 by UGC. Today, the college has a whole range of infrastructural facilities such as high-tech Seminar Rooms, Smart Class Rooms, Arts, Science and Commerce block, well-equipped laboratories, departmental rooms equipped with computers and internet facilities, gymnasium, fully automated library, e-library, extensive sports fields.

About Energy Conservation Measures:

Energy Conservation plays a significant role of lessening climate change. It helps the replacement of non-renewable resources with renewable energy. Solar Energy is one of the ways which we are using to prevent the effects of climate change. Through ‘Wheeling to the Grid’ we supply extra energy where it is needed. We are also using Sensor-based energy conservation and LED Bulbs for reducing the negative effects of conventional bulbs to the environment.
