## **INSTRUCTIONS TO THE CONTRIBUTORS**

1. The research paper should be typed in double space, only one side of the paper in the format of 16 points text single font krutidev010 in Page Maker/M.S. Word document and 12 point text single font Times New Roman in Page Maker/M.S. Word in English.
2. The paper should not exceed 8000 words.
3. The research paper must be accompanied with an abstract not exceeding 200 words.
4. The Author should submit his/her research paper in two hard copies with one soft copy to the editor.
5. The contributor must certify that the paper has not been published wholly or partly in any other Journal nor it has been submitted for publication to any other Journal.
6. The Editorial Board will not be responsible for the facts/ideas expressed in the published papers and in the Journal if differed in any manner, the entire liability will lie with the respective author and co-author.
7. Contributors are advised to be brief in introducing the subject and devote most of the paper to the principal theme. The journal prefers papers based on original data and fresh theoretical insights.
8. **Plagiarism before publication :** The Editor of Journal will judge any case of plagiarism on its own merits. If plagiarism is detected, either by the editors, peer reviewers or editorial board at any stage before publication of a manuscript before or after acceptance, during editing or at page proof stage, we will alert the author (s), asking her/his to either rewrite the text or quote the text exactly and to cite the original source. If the plagiarism is extensive, that is, if at least 10% of the original submission is plagiarized, the article may be rejected and the authors. Institutions/employer notified.
9. Authors should take care to insure the accuracy of data and references.
10. Research papers are accepted for publication on the understanding that they are subject to Editorial Revisions. Proofs will not be sent to the authors.
11. Correspondence relating to manuscripts should be addressed to :
