

Report

Today, on 22 January 2021, an online one-day seminar was organized on the 125th birth date of Subhash Chandra Bose Ji under the joint aegis of MDSD Girls College Ambala City and GMN College Ambala Cantt. This year, the Government of India has decided to celebrate the birthday of Subhas Chandra Bose Ji as Parakram Divas. About 100 students from both the colleges participated in this program. The subject of this seminar was **Subhash Chandra Bose and His Contribution to the Indian National Movement**. The program was inaugurated by lighting the lamp by Dr. Rajpal Singh and Dr. Mrs. Kiran Angra, Principal of both the colleges. The program was presided over by Dr. Pushpa Garg, well-known doctor Ambala City, the main speakers were Mrs. Karamjit Kaur, Associate Professor MDSD Girls College and Dr. Dharmaveer Saini, Assistant Spokesperson, GMN College, Ambala Cantt. Madam Karamjit Kaur said in her lecture that Subhash Chandra Bose's contribution to the Indian national movement is unique and the courage and sacrifice with which he contributed to the Indian national movement shows his selfless sense of love for our nation. At the same time, Dr. Dharmaveer Saini, in his lecture, described the people with whom he was influenced during the early period of Subhas Chandra Bose's life and explained how he really became Subhas Chandra Bose, along with how the ideology of the boss after 1945 AD gave momentum to the Indian national movement and pushed India on the path of independence. Dr. Pushpa Garg, in his presidential speech, described Subhash Chandra Bose as his mentor and explained the difficult aspects of his life and called upon the students to read his biography. In the end, Miss Aanchal thanked all the participants and the principal of both colleges threw light on the life of Subhash Chandra Bose Ji and congratulated everyone on his birthday.

Tree plantation Drive held on 12/07/21.

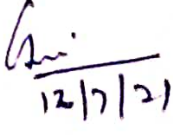

Report

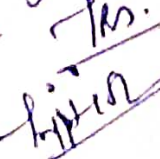

Department of political science and NCC in collaboration under MOU with YARI - a non profit organization organised a tree plantation drive in which students from NCC and department of political science very actively participated. The staff and students of various classes planted saplings in the garden of Holy Redeemer church and it's surrounding areas in Ambala cantt. It was an effort to raise awareness and consciousness about environment conservation as one of the objective of MOU between department of political science and YARI. The drive was inaugurated by Dr. Rajpal Singh, Principal, G M N College Ambala Cantt. along with Mr. Nagendra saroha joint secretary YARI in the compound of Holy Redeemer church. Sh Rajinder Vij. President Yoga foundation Haryana played important role in the drive by providing saplings for the drive and motivated the staff and students for tree plantation. Tree plantation is the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming. The drive was a huge success, empowering students with substantial knowledge of environment and plants. The programme was followed by an inspiring speech by Mr. Nagendra saroha discussed underlining the importance of planting and conserving trees by elaborating the ill-effects, degradation everywhere in the world and global warming. Then the chief guest and other dignitaries planted saplings. NCC officer Captain Surender Singh Nain told the students about the importance of Oxygen during this corona times. He told that we should plant more and more trees to meet the need of oxygen. The entire function has made the students think seriously about the environment conservation. In this drive nearabout 120 saplings were planted. On this occasion Dr. Manjeet kaur, Dr. K.K.Punia, Dr. Rakesh kumar, Dr. Pravesh kumar Dr. Anish, Dr. Dharamveer, Dr. Rajender Deswal, Dr. Tripti sharma, Dr. Ritu Gupta and Dr. saroj Bala and other teachers and representatives were present during the process.

REPORT OF E-WORKSHOP

IMPORTANCE OF COMMUNICATION MEDIA AND TECHNOLOGY IN THE DEVELOPMENT OF YOUTH JULY 10, 2021

Today, on July 10, 2021, an online e-workshop was organized by the Department of Mass Communication, Gandhi Memorial National College Ambala Cantt under the MOU with Organization for Social and Cultural Awareness (OSCA). The theme of which was the importance of communication media and technology in the development of youth. Successfully organized under the guidance of Principal Dr. Rajpal Singh and under the leadership of OSCA. The program started with a brief background of the topic and greetings to the participants by Dr. Rakesh Kumar, the Organizing Secretary of E-Workshop. Acting Principal Dr. Anju Jain and Dr. V.K. Jain felicitated the chief guest on the basis of Indian culture. The chief guest and speaker of the program, Dr. Sandeep Marwah, Founder of Noida Film City, Director of Asian Academy of Film and Television Noida, seven world record holders, filmmakers and directors while sharing their views said that communication and technology is the development of youth in the present times. And it is the most powerful means of nation building. Through this, the motivation of people to be self-reliant and self-reliant is generated. Dr. Marwah presented each word of self-reliance through meaningful examples. In the same series, the Resource Person of the workshop was Dr. Abid Ali, a well-known motivator and Assistant Professor of the Institute of Mass Communication & Media Technology, Kurukshetra University, Kurukshetra. He said in his statement that technology and communication have special importance at present, through this, stability and new inventions are established in the society. Dr. Abid described in detail the various dimensions from the historical inception of technology to modern times. His important statement was that there is only one idea which is the means of

Report (Nukkad Natak)

17/7/21.

Students of Gandhi Memorial National College, Hindi Department Courtesy (MOU) Rashtrabhasha Vichar Manch, Ambala Cantt gave the message of making the country polythene free through street plays. The main objective of the gathering was to sensitize the people about the harmful effects of plastic on human health and the environment. The young talented minds splashed their ideas on how to stop the use of plastic. Nukkad Natak was the highlight of the activity wherein the students delivered a big message "Say no to plastic" by representing plastic as the evil modern day Ravana. The students staged 'Nukkad Natak' and made a strong appeal to the public not to use the banned polythene and plastic things. Dr. Ritu Gupta, Head of Hindi Department said that plastic disposal is not easy. Plastics adversely affect the health of the soil. On this occasion, Principal Dr. Rajpal Singh said that this message being given by the students of the Hindi Department of the college through street plays is commendable. Dr Anish said that hazardous gases are released from polythene. which are very harmful to health. Total 26 students participated in it.
