ABOUT THE COLLEGE

Through seven eventful decades of its history, Gandhi Memorial National College, Ambala Cantt has celebrated the quest for expanding landscapes of learning and critical thinking. Today, the college is recognised as a premier institution of higher learning that nurtures intellectual and academic striving, vibrant curricular activities, outreach initiatives and civic engagement. The college offers a unique combination of resources where community of inspired faculty and talented students learn and grow together to share the dynamic energy field. It is a place not only of teaching but collaborated scholarship reinforcing a very special interaction between students and faculty. After partition, a great visionary and philanthropist Sh. Jaswant Rai with other eminent associates planted the seeds of D.A.V. College, Rawal Pindi at Ambala which flourished into G.M.N. College in 1948. Having had a modest beginning in a building with thatched roofs, today the college has a whole range of infrastructural facilities such as high-tech seminar rooms, smart class rooms, Arts, Science and Commerce block, well-equipped laboratories, departmental rooms equipped with computers and internet facilities, gymnasium, fully automated library, E-library, sprawling sports fields. The college has become a byword for academic and extracurricular achievements. The dynamic, enlightened and supportive Managing Committee comprising of members from industry, medicine, academic and administration is constantly engaged in taking the college to newer heights of excellence. Its alumni occupy distinguished positions in almost all spheres of society- Government, Banking, Finance, Academics, Sports, Armed Forces, Business and Media. The college believes in the motto "Be the First and be with the First". We as a team abide by certain principles to allow a disciplined process of workflow within the college, maintaining an improved scenario to fulfill dreams and achieve to the fullest.

ABOUT THE SEMINAR

Indian Knowledge System is the rich heritage of ancient and eternal Indian knowledge and thoughts-to ensure unbroken tradition of knowledge transmission-to solve the current and emerging challenges of India. It includes knowledge from ancient India and, its successes and challenges, and a sense of India's future aspirations specific to education, health, environment and indeed all aspects of life. The present seminar provides a platform to the researchers, academicians, and institutions where they can present and discuss varied opinions and research works in the domain of Indian Knowledge System and their relevance in modern times. This seminar is an attempt to identify, highlight and refine the understanding of Indian Knowledge System full of wisdom over superstition at global level. This seminar will deliberate the linkages between the Indian Knowledge systems and Literature; Human Lifestyle & Holistic Health; Modern Education System; Science, Engineering & Technology; Psychology & Philosophy; Management; Art & Music for achieving the Sustainable Development Goals (SDGs).

CALL FOR ABSTRACT

You are requested to present your research paper (Poster/Oral) on any of the themes of the seminar and send the soft copy of the abstract in MS Word format (Times New Roman, font size 12, spacing 1.5) must contain a suitable title, a list of authors, affiliations, the name of the presenting authors that should be underlined, and contact details of the presenting author including email.
