

## About the College :

Through seven eventful decades of its history, Gandhi Memorial National College, Ambala Cantt has celebrated the quest for expanding landscapes of learning and critical thinking. Today, this college is recognized as a premier institution of higher learning that nurtures intellectual and academic striving, vibrant curricular activities, outreach initiatives and civic engagement. The college offers a unique combination of resources where community of inspired faculty and talented students learn and grow together to share the dynamic energy field. Having had a modest beginning in a building with thatched roofs, today the college has a whole range of infrastructural facilities such as high-tech seminar rooms, Smart Class Rooms, Arts, Science and Commerce block, well-equipped laboratories, departmental rooms equipped with computers, internet facilities, gymnasium, fully automated E-library and sprawling sports fields. Its alumni occupy distinguished positions in almost all spheres of society – Government, Banking, Finance, Academics, Sports, Armed Forces, Business and Media. The college believes in the motto “Be the First and be with the First”.

## About the Seminar:

NEP-2020 provides a huge opportunity to revamp education by changing the mind-set of all stakeholders, provided the right strategies are in place for their implementation. In this context, Higher Education Institutions are developing student centric approach for increasing student engagement in the learning process, enriching knowledge, and unleashing their skills and abilities as well as enhancing achievements. Curriculum has become a dynamic process due to the changes that are occurring in the society. There is the need to update,

Innovate and modernize syllabus to include technological, practical and industrial advancements. Innovative curriculum with multidisciplinary approach will help in focusing on employability, entrepreneurship and skill development. Teacher's involvement in the process of curriculum development is also important to align content of curriculum with students and societal needs. Hence teachers need training in the form of seminar for enhancing professional skills and contributing to curriculum design and developments. This seminar is intended to align with the goal of The New Education Policy (NEP) 2020 of the Government of India, to revamp curriculum, pedagogy and assessment methods.

## Objectives:

The seminar will focus on:

- Planning and developing systematic, progressive and purposeful curriculum process.
- Brainstorming on designing curriculum that would deepen learning process.
- Discussing on suitable teaching-learning strategies and methods, necessary for positive improvement in teaching-learning process.
